On 05/04/2020 at approximately 1620 hours R/O (Werneske *68) and Ofc. Rzeppa *57 were dispatched to 210 Courtland Dr. Unit E, South Elgin, IL 60177 for a subject making suicidal statements. R/O was advised by Tri-Com Dispatch that the South Elgin Fire Department (SEFD) was enroute to the scene as well.

R/O arrived on scene and met with the caller, Sandra Donatello, who was waiting at the front door. Sandra stated that her daughter, Pauletta Donatello, had just broken up with her boyfriend and was extremely upset about it. Sandra stated that she was unsure if Sandra had been drinking alcohol or smoking cannabis during the day, but that she had a history of using those substances. Sandra stated that Pauletta had been yelling "Fuck you!" to her, and made a comment that Pauletta's children would only see Sandra again when Pauletta was dead. R/O asked Sandra if Pauletta had made any other comments or stated a means of killing herself, and Sandra stated, "no." R/O did not hear any yelling or screaming from inside the house as R/O spoke with Sandra. Sandra stated that she felt Pauletta may have fallen asleep. Sandra stated that Pauletta's children were hiding in Sandra's closet because of Pauletta's behavior. R/O asked Sandra if Pauletta knew that the police were called and she stated, "no."

Ofc. Rzeppa arrived on scene and R/O's entered the house. Pauletta was still quiet until Sandra knocked on Pauletta's bedroom door. Pauletta began to become agitated with Sandra so R/O stepped into Pauletta's bedroom to talk with her and check on her well being. R/O observed Pauletta to be laying on the bed with no pants or underwear on and a bra. Pauletta yelled at R/O to "get the fuck out of my house!" R/O stated that the police were called because of her behavior and wanted to see if she was okay. Pauletta then asked R/O, "Do you want to see my vagina?" And Pauletta then exposed her genitals to R/O spreading her legs wide apart. R/O stepped out of the room and requested she get dressed to talk with R/O's. Pauletta then took her bra off and walked out of her room naked. Sandra and R/O's asked repeatedly for her to get dressed, but Pauletta refused and stated, "I'm in my house I can be naked." R/O then requested the fire department come to the scene to evaluate Pauletta.

SEFD arrived on scene, but Pauletta had locked herself in her bedroom. Paramedics stated that they only wanted to ask Pauletta some basic questions to evaluate her. Pauletta then exited the room again naked and continued to walk around the house in front of R/O's, SEFD, and Sandra. Throughout this incident R/O observed severe mood swings of Pauletta where she would be yelling and screaming "Fuck you!", then she would get down on her knees in front of Sandra asking for help and pleading with her. Pauletta eventually answered SEFD's questions appropriately, stated she did not want to harm herself, and refused to be transported to the hospital for an evaluation. SEFD asked Sandra if she would be willing to sign an involuntary commital to have Pauletta evaluated, but Sandra refused stating it would only make things worse. SEFD advised that they would call the hospital to get the doctor's orders and update them of the situation.

While SEFD left the residence, Pauletta went into the bathroom and yelled, "I'm going to kill myself in the bathroom!" R/O and Ofc. Rzeppa heard Pauletta make those comments and advised SEFD. The paramedics then re-entered the house and told Pauletta she was now going to be transported to the hospital because of her comments. R/O's and SEFD requested Pauletta put on a robe or get clothes on, but she refused and put her hands out to get handcuffed. R/O then placed handcuffs on Pauletta, to protect Pauletta and SEFD, behind her back checking for proper fit and double locking them. Pauletta was then wrapped in a blanket and walked outside. While she was walking out of the house Pauletta was screaming at the top of her lungs. Pauletta was then placed on a cot, and R/O removed the handcuffs. SEFD then placed Pauletta in restraints and put her inside the ambulance. Pauletta was transferred to St. Joseph's Hospital in Elgin, IL for an evaluation.

R/O spoke with SEFD who advised that they did not need police to follow the ambulance to the hospital. SEFD also advised that they would contact the Department of Children and Family Services (DCFS) about the incident because of Pauletta's behavior. R/O spoke with Sandra who stated that she did not have proper child seats or restraints for her car if she ever felt she needed to remove the children from Pauletta for their safety. Sandra stated that Pauletta's

boyfriend had taken the vehicles which had the child seats as the vehicle was in both Pauletta`s and his name. R/O`s advised Sandra that Pauletta was going to St. Joseph`s Hospital, and that if she wanted Pauletta to be removed from the house that she would need to be evicted through the Kane County Sheriff`s Office.

R/O`s then cleared the scene with a report.
