

# Legal Defense Timeline: David Byers vs. Pauletta Donatello (25FA152)

This timeline focuses on **evidence for court**, highlighting Pauletta’s abuse, David’s proactive steps, and systemic failures. Use this alongside the [comprehensive timeline](#) for context.

## Key Themes

- 1. **Pauletta’s Pattern of Abuse:** Battery conviction (17CM2499), DCFS incidents, and manipulation.
- 2. **Legal Weaponization:** OPs, false allegations, and obstruction of parenting time.
- 3. **David’s Advocacy:** Motions, therapy requests, and efforts to protect Violette/Zadyn.
- 4. **Systemic Failures:** DCFS inaction, GAL delays, and court backlogs.

## Pauletta’s Contradictions: Guardianship vs. OP Allegations

| Date    | Event/Incident                                                                                                                                 | Evidence                                                                  | Notes                                                                                                                                                                         |
|---------|------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2024-06 | Pauletta <b>grants David short-term guardianship of Zadyn</b> (June–Dec 2024). Sends unsigned document (intended as temporary care agreement). | <a href="#">ZADYN_GUARDIANSHIP_AGREEMENT_2024.pdf</a>                     | <b>Key contradiction:</b> 6 months later, Pauletta claims in 24OP613 that David "kicked the kids out." No signed document, but clear intent to trust David with Zadyn’s care. |
| 2024-12 | Pauletta files <b>24OP613</b> , alleging David "kicked the kids out." <b>Only one dated allegation</b> in the OP; all others are baseless.     | <a href="#">24OP613_COURT_FILE_WITH_OP_STARTING_PAGE34-12_10_2024.pdf</a> | <b>No evidence</b> supports this claim; directly contradicts June 2024 guardianship agreement.                                                                                |

## Pauletta’s Abuse and Legal Manipulation

| Date       | Event/Incident                                                                                                                                                | Evidence                                           | Notes                                                                                                                                                                    |
|------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2017-09-02 | Pauletta <b>GUILTY of battery against Violette (age 4)</b> . Police: <i>“Struck Violette with an open hand, causing redness/swelling to her cheek.”</i>       | <a href="#">17CM2499_BATTERY_2017.pdf</a>          | <b>Key evidence:</b> Direct physical harm to Violette; DCFS notified but no action.                                                                                      |
| 2018-11-12 | Pauletta files <b>domestic battery charge against Cory Neill</b> (18CM2996). Cory pleads guilty but claims the incident was <b>misrepresented to police</b> . | <a href="#">18CM2996_DOMESTIC_BATTERY_2018.pdf</a> | <b>Key Context:</b> Pauletta’s pattern of <b>legal weaponization</b> in relationships. Cory’s case parallels David’s 2018 charge (18CF901), suggesting a <b>systemic</b> |

| Date       | Event/Incident                                                                                                                          | Evidence                                              | Notes                                                                                       |
|------------|-----------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------|---------------------------------------------------------------------------------------------|
| 2020-05-04 | Pauletta's <b>suicidal breakdown</b> (public nudity, erratic behavior). Police restrain her; DCFS notified (children present).          | <a href="#">20-005055_SUICIDAL_BREAKDOWN_2020.pdf</a> | <b>behavior.</b><br>DCFS fails to act despite <b>third notification</b> (2016, 2017, 2020). |
| 2024-12    | Pauletta files <b>24OP613</b> after David sets boundaries. <b>Evicts David from his home</b> , leaving him homeless/disabled in winter. | <a href="#">CASE_HANDOVER_MEMO.pdf</a>                | Uses David's <b>dissociative reaction to the eviction</b> to paint him as unstable.         |

## David's Proactive Steps

| Date       | Action                                                                          | Evidence                                                        | Notes                                                                             |
|------------|---------------------------------------------------------------------------------|-----------------------------------------------------------------|-----------------------------------------------------------------------------------|
| 2025-09-26 | Files <b>motion to enforce parenting time</b> after Pauletta blocks visitation. | <a href="#">2025_09_26_MOTION_TO_ENFORCE_PARENTING_TIME.pdf</a> | Pauletta <b>ignores court orders</b> ; David seeks enforcement.                   |
| 2026-03-31 | Files <b>motion for Violette's mental health care</b> after self-harm incident. | <a href="#">2026_03_31_MOTION_FOR_VIOLETTE_MH.pdf</a>           | Pauletta <b>blocks therapy</b> ; claims requests "exceed shared decision-making." |

## Systemic Failures

| Date      | Failure                                                                      | Evidence                                                                                                       | Notes                                                                         |
|-----------|------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------|
| 2016–2020 | DCFS <b>notified 3 times</b> (2016, 2017, 2020) but <b>no action taken</b> . | <a href="#">16-12339_DOMESTIC_VIOLENCE_2016.pdf</a> ,<br><a href="#">20-005055_SUICIDAL_BREAKDOWN_2020.pdf</a> | <b>Pattern:</b> DCFS ignores Pauletta's instability.                          |
| 2025–2026 | GAL <b>delays reports</b> ; court <b>ignores motions</b> for enforcement.    | (GAL reports pending)                                                                                          | David files <b>multiple motions</b> ; Pauletta faces <b>no consequences</b> . |

## Next Steps

- **Review this timeline** for accuracy and completeness.
- **Flag missing documents** (e.g., GAL reports, Zady's school records).
- **Use in court** to highlight Pauletta's contradictions and David's advocacy.
